

Dear families,

Thanks for learning with us as we learn how to stretch our teaching! To complete this activity, first view the read aloud by clicking on this link:

Then, download the comprehension questions document and answer the questions with your child. You'll need a pdf reader. You can download a free version here:

<https://get.adobe.com/reader/> Just make sure you unclick any additional downloads you don't want before you click the yellow "Download Acrobat Reader" button at the bottom, middle part of the page. Please reach out if there's anything I can do to help!

Thanks,

Mrs. Brandon
