COVID-19

Some schools and other places are closing because of the coronavirus. The coronavirus is like the flu. It spreads from person to person.

I can stay healthy by covering my cough,
washing my hands, and staying inside.

My school may be closed because of the coronavirus. Adults will decide if school needs to be closed. They want to make sure we stay healthy.

If school is closed, I can do my work at home.

SCHEDULE	
1.	 bus
2.	 reading
3.	 math
4.	 lunch
5.	 recess

The order of my day may be different. My
 schedule may not be the same, but that is OK.

I may have to do my school work at home. I will try
to do my best work just like when I am at school.
My teacher will check in to see what I have learned.

We may not know how long school will be closed.

My teachers and parents will let me know when it
is time to go back.

Things are going to be different when school is closed. That's OK! I know I can handle this!

The End
